

Palermo Union Community Day (K-7)

Kathleen Andoe, Principal

Principal, Palermo Union Community Day (K-7)

About Our School

The Palermo Community Day School staff believe that we can achieve our fundamental purpose of high levels of learning for all students if we work together towards this common goal. This involves parents, teachers, paraprofessionals, and students collectively. It is our desire to cultivate a culture of collaboration through the development of high performing teams. We are committed to maintaining a safe environment where all students can learn and grow to their fullest potential.

Data and Access

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the [California Department of Education \(CDE\) SARC Web page](#).
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Additional Information

For further information regarding the data elements and terms used in the SARC see the 2012-13 Academic Performance Index Reports Information Guide located on the [CDE API Web page](#).

School Description and Mission Statement (School Year 2012-13)

The Palermo Union School District is comprised of six schools: Helen Wilcox (K-3), Honcut (K-2), Golden Hills (4-5), Palermo (6-8), and two Community Day schools; K-7 and 5-8. The district encompasses a 75 square mile area located in Butte County in the northern Sacramento Valley. The school is funded through the Necessary Small School Funding program for "at risk" students. Each student has an Individualized Rehabilitation Plan with a required weekly counseling and community service component. Typically students are enrolled for one or two trimesters and are able to apply for re-admittance back into the traditional school setting. Palermo has an ongoing Memorandum of Understanding with Oroville City Elementary School District (OCESD) and Thermalito Union School District (TUSD) for the placement of up to 12 "at risk" students in Community Day K-7 or 5-8.

Mission Statement: The Palermo Community Day School: K-7 is designed to meet the needs of students who are exhibiting behavioral, academic, and/or attendance problems. The intent of the program is to help students develop problem-solving skills and more effective coping strategies that will result in a greater chance of success when they return to the regular school setting. CDS staffs maintain high expectations across the academic, social, and emotional domains, and will remain committed to developing increased resiliency within students.

Opportunities for Parental Involvement (School Year 2012-13)

Parents and guardians are given the opportunity to work in a mutually supportive and respectful partnership with the school to help their child succeed. Parents are welcome to volunteer in the classroom and for fundraising and community events. Parents and guardians may support their child's learning environment by monitoring school attendance and homework completion.

Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- **Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

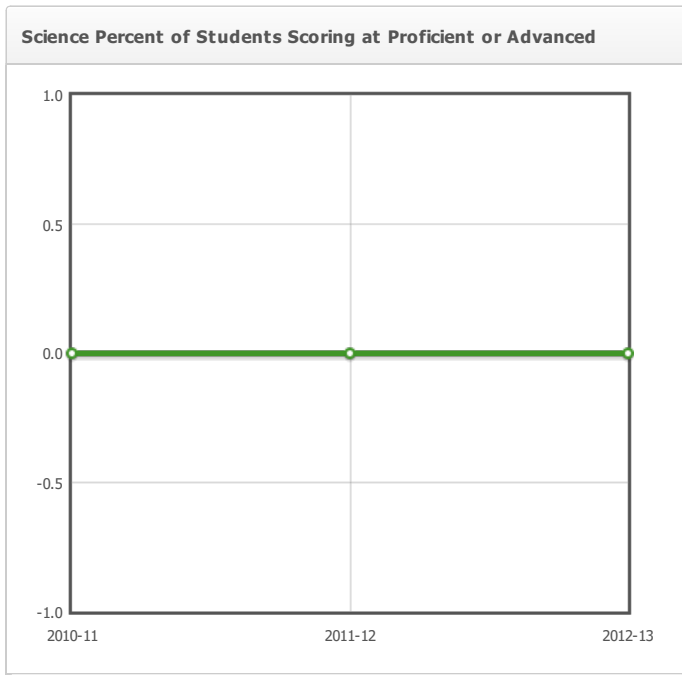

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the [CDE STAR Results Web site](#).

School Safety Plan (School Year 2012-13)

In compliance with state regulations, the District Comprehensive Safety Plan/Emergency Management Plan is reviewed, updated and approved by the Governing Board annually by March 1. Each school maintains a copy of the Safety Plan on site and a copy of the site Emergency Conditions portion of the plan in each classroom. Key elements of the Safety Plan include: a plan of action for maintaining a safe and orderly environment conducive to learning at the school (ie: assessment of school safety, identification of strategies and programs that will maintain school safety and campus security) and emergency management procedures consistent with the Standardized Emergency Management System (SEMS) and the National Incident Management System (NIMS) developed by the U.S. Department of Homeland Security. Key elements of the site Emergency Conditions include: a plan of action for a coordinated school wide response to emergencies (i.e. intruder on campus, fire, emergency lockdown, evacuation, etc). Safety drills are held on a regular basis. Fire drills are held monthly. Earthquake/disaster and intruder drills are held twice a year. Visitors to the campus are required to sign in at the school office and wear a visitor's pass at all times.

School Facilities

School Facility Conditions and Planned Improvements (School Year 2013-14)

School Facilities: Facilities are maintained in a manner to ensure that it is clean and safe and functional as determined by an evaluation instrument developed by the State of California Office of Public Construction.

Teaching and learning space: The Palermo Community Day K-7 has one portable classroom approximately 6 years old with library, computer and music resources. Staff and student bathrooms are adequate and are maintained in clean and working order. The outside area includes grass, large trees and concrete picnic tables and benches maintained in safe and working order.

Maintenance and repair: District maintenance staffs ensure that any necessary repairs are completed in a timely manner. A work order process is used to provide efficient service and ensure that emergency repairs are given the highest priority.

Cleaning process: The district governing board has adopted cleaning and safety standards for all schools in the district. A summary of these standards is available at the school office or the district office. The Maintenance & Operations Supervisor works with custodial staff to develop cleaning schedules to ensure a clean and safe school. A Safety & Cleaning checklist for is used during school breaks (summer, Christmas, and Easter).

Deferred maintenance: The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components.

Maintenance projects for 2012-2013 include: general repairs and painting.

School Completion and Postsecondary Preparation

Admission Requirements for California's Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work.

For general admissions requirements, please visit the [UC Admissions Information Web page](#).

California State University

Eligibility for admission to the California State University (CSU) is determined by three factors:

- Specific high school courses
- Grades in specified courses and test scores
- Graduation from high school

Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information see the [CSU Web page](#).

Instructional Planning and Scheduling

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

The district schedules staff development on non-student days and/or non-contract days, or during after school hours. Staff development is delivered through after school workshops, conference attendance, individual mentoring, and PLC. Area of focus for staff development is selected based on need, as shown in achievement data. Teachers are supported through teacher-principal meetings and professional learning communities.

PUSD teachers engage in active staff development throughout the year by attending in-District training sessions given by staff and consultants, as well as site-based sessions presented at staff meetings, committee/grade level meetings, and during formal observation post conferences. Staff development has focused on fostering the Explicit Direct Instruction (EDI) strategies and techniques, and professional collaborative teams. District and site sessions, as well as follow-up classroom observations and feedback have been provided on the following topics: Student Engagement, Checking for Understanding-TAPPLE, Corrective Feedback, and Delivering Information.
